FOR OUR 9TH ANNUAL CACTUS BLOSSOM GALA

American Indians in Texas at the Spanish Colonial Missions (AIT-SCM) will host our annual Cactus Blossom Gala this year on May 10, 2024 at Hangar 9. Doors will open at 5:30pm and the event will begin promptly at 6pm, ending at 9pm.

AIT-SCM is thrilled to unveil a reimagined event featuring an Indigenous fashion show, storytelling, and choreography produced by Isaac "Papabear" Alvarez Cardenas, and exciting announcements for our partners, friends, and the greater community.

We have been a cornerstone of the San Antonio community, fostering parental development, healing generational traumas, and preserving the heritage of San Antonio's original inhabitants through culturally-specific programming.

Your support plays a crucial role in our continued success. We look forward to gathering with you.

MISSION OF

Motherhood

This year AIT-SCM has chosen to raise money for our newest initiative, Mission of Motherhood (M.o.M), at the Cactus Blossom Gala. M.o.M. aims to help facilitate healing in the lives of women living in Bexar County by establishing safe and dedicated physical spaces by the end of 2026. These spaces, called Indigenous Women's Healing Centers, will harness indigenous and culturally-centered practices, services, and resources to address the distinctive needs of women and promote holistic healing through a lens of social justice, Trauma-informed Care, and a Survivor Empowerment Approach.
